

Westrope Awarded Diamond Status by AMRISC

Westrope Awarded Diamond Elite Producer Status

Westrope has been awarded Diamond Status as part of AmRISC'S *Elite Producer Program*, the highest partnership status awarded. Westrope's unique team structure, and industry expertise, enables us to bring a fresh look to the complex needs of our clients. Our volume provides us the opportunity to leverage our relationships and strengths in the market place, to find the most innovative and effective solutions for each risk, which differentiates us from our competitors.

Benefits of Diamond Status in the Elite Producers program include:

- Submissions reserved up to 100 days prior to effective date as opposed to 90 days
- Accounts worked in order of producer status giving our submissions greater attention

Take advantage of Westrope's special partnership with AmRISC and American Coastal Insurance Company (ACIC) to address your Commercial and Technical Property Exposures.

About AmRISC

Established in 2000 AmRISC is focused on middle market, E & S Commercial Property risks. Along with being recognized as the premier provider for significant capacity in catastrophic wind areas, AmRISC offers a variety of creative solutions to E & S and Technical Property exposures.

AmRISC Products

AmRISC Wind Capacity

AmRISC has partnered with key carriers to offer full wind capacity on all types of construction and a wide variety of classes. Using unique propriety modeling and rating methodologies allows them to provide higher limits and competitive pricing on risks that meet their underwriting criteria.

AmRISC TECH Property Risk

TECH Risk brings cost effective insurance solution addressing the unique hazards that exist in industrial and manufacturing facilities. Target Classes include; Plastic Manufacturing, Food Processing, Paint Manufacturing with a wide variety of other interesting yet challenging classes.

ACIC

American Coastal Insurance Company (ACIC) focuses on writing Condominium and Homeowner Association Properties. Current primary underwriting targets are "Best of Class" Florida Garden Style Condominiums for Homeowners Associations and High-Rise Condominiums.

AmRISC Vacant Property Risk

Vacant Property Risk targets Foreclosed properties with building values up to 2MM and optional premises liability up to 1MM in both the Commercial and Residential property arena.
