Westrope Solutions

Westrope now has access to CNA's AAHSA (American Assoc of Homes and Services for the Aging) Program! CNA has eliminated the renewal exclusivity on the program that previously existed. If you have accounts in the AAHSA Program you may now place them with CNA through Westrope.

The Westrope Difference:

- CNA has committed to reviewing each insured for the best possible pricing and terms.
- The AAHSA coverage endorsement continues to be available for purchase.
- AQI premium and risk management credits and AAHSA purchasing group endorsement will not carry forward.
- Our positive relationship with CNA assures that you and your clients will receive professional attention and servicing in a prompt and timely manner, providing a smooth and seamless transition for all of your AAHSA business.
